27th November 1941.

Dear Mr. Appaji Gowda,

With reference to your D.O.letter No.10/G.S. without date, received two or three days ago, I have to inform you that I had already decided to call a meeting of the Board in the first half of next month by which time the Percentage statement and the "Statement of non-gazetted appointments held by different communities" as on 30th June 1941 are expected to be ready. In this connection please see my unofficial note dated 27th October 1941. As the Legislative Council meets from the 15th December, I propose to call the meeting on the 13th December.

I should like to add that the meeting was not called earlier in view of the fact that orders of Government on my proposals and draft rules were expected much earlier and it was my intention to call a meeting of the Central Recruitment Board shortly before the expected termination of the body. The life of the Board was, however, extended piece-meal from time to time and as fresh lists of Class I appointments were issued only in July and August 1941 and of Class II appointments in October 1941, it was considered better to wait till the two statements referred to above for June 1941 were ready so as to avoid calling another meeting to consider these statements. Hitherto the statements placed before the Board have been those of the previous year.

Yours sincerely,
